

JOB POSTING

Electrician

Competition No. #2024-01

Probationary Rate: \$41.89 per hour (effective April 1)

After completion of Probation: \$44.10 per hour

Classification Band 6

Victoria International Airport (YYJ) is the 11th busiest airport in Canada and is located on the homelands of the W̱SÁNEĆ People whose historical relationship to the land continues to this day. YYJ has been rated one of the top ten most-loved airports in the world by CNN Travel and has been named one of BC's Top Employers annually since 2020. Winner of the best regional airport in North America award by Airports Council International in 2012, 2014 and 2020, YYJ provides a safe, secure, sustainable, and efficient airport that creates prosperity for our region by connecting Greater Victoria with the world. Victoria Airport Authority has managed the operations at YYJ on behalf of the surrounding communities since April 1, 1997.

Position Overview

VAA is recruiting for an Electrician to join our award-winning team. The Electrician is responsible for performing electrical inspections, maintenance, and repair related to airfield lighting and building electrical systems at the Airport. Electricians must be available to be 'on-call' to respond to after-hour lighting, signage, electrical emergencies and winter operations.

The Electrician is a union position reporting to the Electrical Supervisor and will normally work a 40-hour work week.

Education & Experience

Completion of Grade 12 and BC or Inter-provincial Journeyman ticket with a minimum one-year airport related experience. A minimum BC Class 5 drivers license with air brake endorsement. Preference may be given to applicants with a higher class of license (e.g. BC Class 3 with air brake endorsement) as well as a Red Seal or Inter-provincial Journeyman ticket.

- Within six (6) months of hire, and a condition of employment, the Electrician must obtain and maintain the following certifications and security clearance:
 - Restricted Area Identity Card (RAIC*)
 - Airside Vehicle Operator Permit 'D' (AVOP)
 - Radio Operator's Certificate – Aeronautical
 - Transport Canada approved Pleasure Craft Operator Card
 - WHMIS certification
 - Fall Arrest certificate

The Electrician must also possess and/or demonstrate:

- Significant knowledge of electrical systems. Previous experience in an airfield environment preferred.
- Ability to facilitate installations and perform troubleshooting and repairs.
- Excellent time management and organizational skills with the ability to work under deadlines with conflicting demands.
- Ability to read and interpret technical drawings, manuals, regulatory documents, such as TP312, Canadian Aviation Regulations (CARs) Canadian electrical, fire and building codes.
- Ability to read blueprints, engineering documents and manuals.
- Ability to locate underground utilities.
- Excellent interpersonal skills, able to interact with all levels in a professional, positive manner, able to building trusting relationships and be a team player.
- Personal suitability to work in emergency, hazardous (i.e. confined space, heights) or inclement weather situations.

VAA is part of the federally regulated air transportation sector and employees must abide by any potential future federally mandated health measures (e.g. COVID-19 vaccination/booster shots).

For a detailed job description please visit VAA's website www.victoriaairport.com/careers/working-at-yyj/

Applications:

Interested applicants may submit their Cover Letter and Resume quoting Competition #2024-01 by 4:00 p.m., Friday March 1, 2024.

VAA is located on the homelands of the W̱SÁNEĆ People and as a result, qualified self-identified Indigenous applicants are encouraged to apply and may be given preference during the recruiting and selection process.

An eligibility list to fill future vacancies may be created.

Please ensure your application clearly identifies how you meet the education, experience, and knowledge requirements stated in the job description. Applicants must be legally entitled to work in Canada.

We sincerely appreciate the interest of all applicants; however, only those selected for further consideration will be contacted.

* The Restricted Area Identification Card is a security pass issued by local airport authorities to all non-passengers working in the restricted areas of airports.
